**UK MiFIR Product Governance – Professional investors and ECPs only target market**

Solely for the purposes of each manufacturer's product approval process, the target market assessment in respect of the Notes has led to the conclusion that: (i) the target market for the Notes in the United Kingdom is eligible counterparties (as defined in the FCA Handbook Conduct of Business Sourcebook) and professional clients (as defined in Regulation (EU) No 600/2014 as it forms part of United Kingdom domestic law by virtue of the European Union (Withdrawal) Act 2018) only; and (ii) all channels for distribution of the Notes to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Notes (a *distributor*) should take into consideration the manufacturers' target market assessment; however, a distributor subject to the FCA Handbook Product Intervention and Product Governance Sourcebook, is responsible for undertaking its own target market assessment in respect of the Notes (by either adopting or refining the manufacturers' target market assessment) and determining appropriate distribution channels.

In connection with Section 309B of the Securities and Futures Act (Chapter 289) of Singapore (the *SFA*) and the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore (the *CMP Regulations 2018*), the Issuer has determined, and hereby notifies all relevant persons (as defined in Section 309A(1) of the *SFA*), that the Notes are prescribed capital markets products (as defined in the *CMP Regulations 2018*) and are Excluded Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendation on Investment Products).
